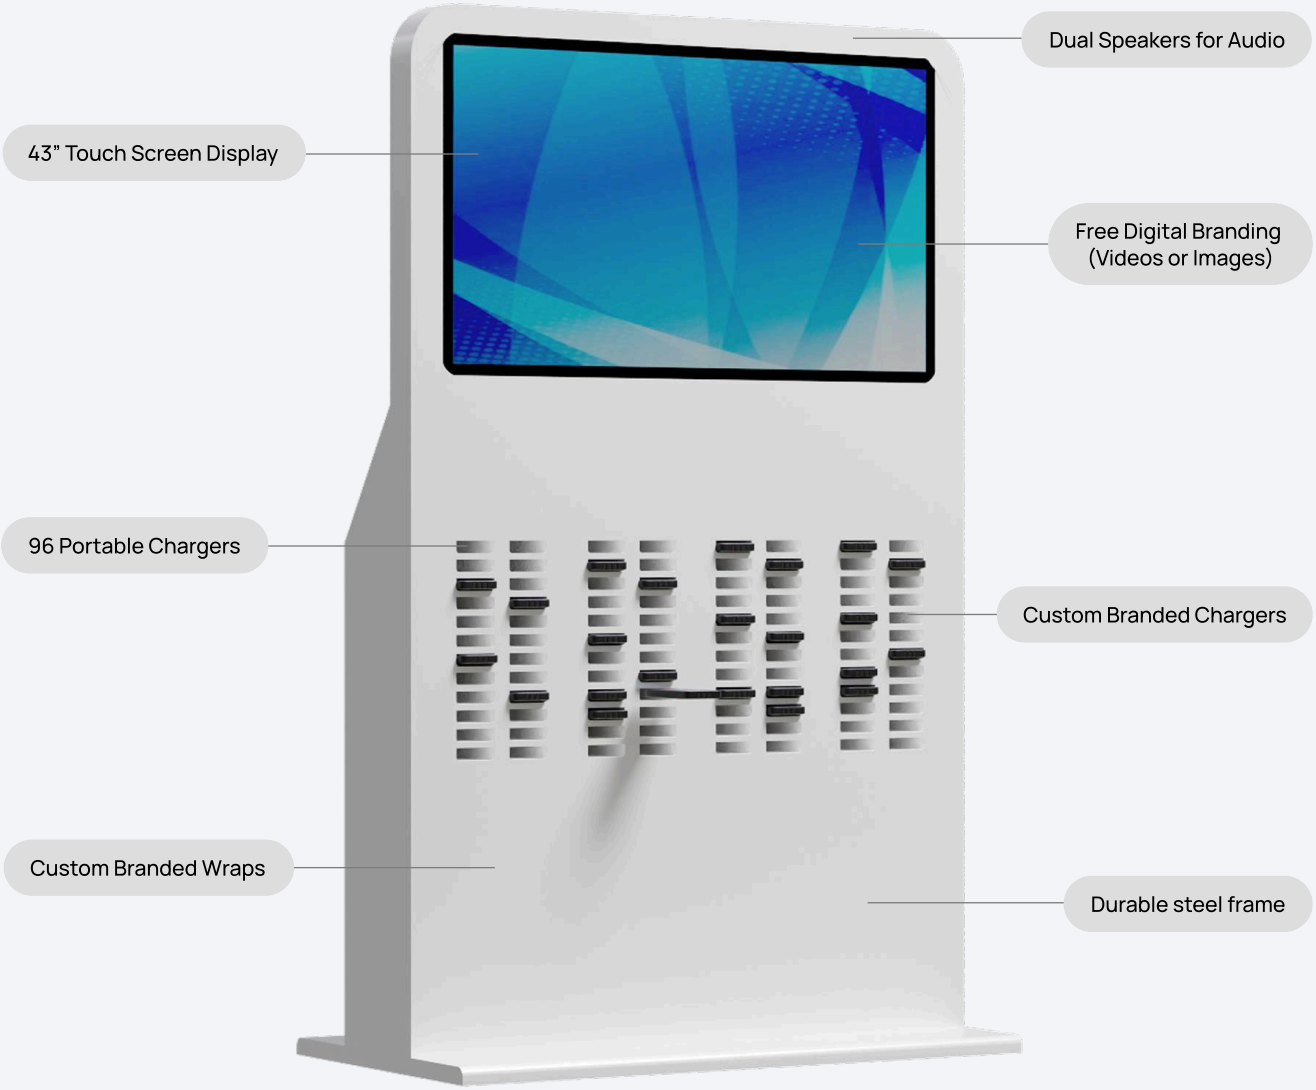
PORTABLE CHARGER KIOSK 96

PORTABLE & TURNKEY



HOW IT WORKS

- Attendees click a button or enters their phone number to borrow a custom branded portable power bank
- Each power bank has built-in cables for all phones & tablets
- Users can charge on the go and return the power bank after they are done charging
- Attendees will be reminded to return the charger via text if they entered their phone number

WHY SPONSOR

- Custom brand the digital screen with videos or images
- Custom brand the charging kiosk frame and power banks
- Attendees become a walking advertisement with your brand
- Provide brand exposure while providing value for attendees
- Help attendees stay charged up & happy
